

§ 303.5

§ 303.5 Eligible administrative expenses.

In accordance with applicable Federal cost principles, Planning Investments may be used to pay the direct and indirect costs incurred by a Planning Organization in the development, implementation, revision or replacement of a CEDS and for related short-term planning activities.

§ 303.6 EDA-funded CEDS process.

If EDA awards Investment Assistance to a Planning Organization to develop, revise or replace a CEDS, the Planning Organization must follow the procedures set forth in this section:

(a) The Planning Organization must appoint a Strategy Committee. The Strategy Committee must represent the main economic interests of the Region and must include Private Sector Representatives as a majority of its membership. In addition, the Planning Organization should ensure that the Strategy Committee includes public officials, community leaders, representatives of workforce development boards, institutions of higher education, minority and labor groups, and private individuals. The Strategy Committee representing Indian Tribes or States may vary.

(b) The Planning Organization must develop and submit to EDA a CEDS that:

(1) Complies with the requirements of § 303.7; and

(2) Was made available for review and comment by the public for a period of at least thirty (30) days prior to submission to EDA.

(c)(1) After obtaining EDA approval of the CEDS, the Planning Organization must submit annually an updated CEDS performance report to EDA.

(2) The Planning Organization must submit a new or revised CEDS to EDA at least every five (5) years, unless EDA or the Planning Organization determines that a new or revised CEDS is required earlier due to changed circumstances.

(3) Any updated CEDS performance report that results in a change of the requirements set forth in § 303.7(b)(3) of the EDA-accepted CEDS or any new or revised CEDS, must be available for review and comment by the public in ac-

cordance with paragraph (b)(2) of this section.

(d) If EDA determines that implementation of the CEDS is inadequate, it will notify the Planning Organization in writing and the Planning Organization shall submit to EDA a new or revised CEDS.

(e) If any part of a Region is covered by one or more of the Regional Commissions as set forth in section 404 of PWEDA, the Planning Organization shall ensure that a copy of the CEDS is provided to the Regional Commission(s).

§ 303.7 Requirements for Comprehensive Economic Development Strategies.

(a) *General.* CEDS are designed to bring together the public and private sectors in the creation of an economic roadmap to diversify and strengthen Regional economies. The CEDS should analyze the Regional economy and serve as a guide for establishing Regional goals and objectives, developing and implementing a Regional plan of action, and identifying investment priorities and funding sources. Public and private sector partnerships are critical to the implementation of the integral elements of a CEDS set forth in paragraph (b) of this section. As a performance-based plan, the CEDS will serve a critical role in a Region's efforts to defend against economic dislocations due to global trade, competition and other events resulting in the loss of jobs and private investment.

(b) *Technical requirements.* A CEDS must be the result of a continuing economic development planning process, developed with broad-based and diverse public and private sector participation, and shall contain the following:

(1) A background of the economic development situation of the Region with a discussion of the economy, population, geography, workforce development and use, transportation access, resources, environment and other pertinent information;

(2) An in-depth analysis of economic and community development problems and opportunities, including:

(i) Incorporation of relevant material from other government-sponsored or supported plans and consistency with
